## **Objective :**

Ambitious and highly motivated student seeking admission to EPFL to pursue a Master's degree in Computer Science. Passionate about artificial intelligence, robotics, and solving complex computational problems.

## **Education :**

Bachelor's Degree: Mohammed V University, Rabat | Bachelor in Computer Science | Expected 2025  
Lycee Hassan II, Rabat | Moroccan Baccalaureate | Mention Tres Bien | July 2021  
Courses & Grades:

- Mathematics: 19.5/20
- Physics: 19/20
- Computer Science: 20/20
- English: 18/20
- French: 18/20
- Philosophy: 16/20

## **Skills :**

- Programming Languages: Python, C++, JavaScript
- AI & Machine Learning: TensorFlow, PyTorch, OpenCV
- Web Development: HTML, CSS, JavaScript, React
- Robotics & Embedded Systems: Arduino, Raspberry Pi, ROS
- Languages: Arabic (Native), French (Fluent), English (Fluent)

## **Extracurricular Activities:**

- Robotics Club Captain (2023-Present): Led a team in developing an AI-powered robot for competitions, winning 1st place at Morocco Robotics Challenge 2024.
- Mathematics Olympiad Finalist (2022-2024): Competed in the Moroccan Mathematics Olympiad, reaching the national finals.
- AI & Data Science Club (2022-Present): Conducted research on machine learning models for medical diagnostics.

## **Certifications & Achievements:**

- Moroccan Baccalaureate with 'Mention Tres Bien' (2025)
- Google AI for Everyone Certification (2024)
- Winner of Morocco Robotics Challenge (2024)
- Finalist in National AI Hackathon (2023)
